April 2017 Newsletter

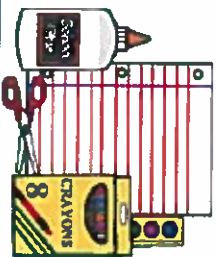

A school filled with love, laughter and learning

Kindergarten Registration! Do you know some one ready to start Kindergarten? We would love to have you encourage them to register for the 2017-2018 school year. Early registration helps us to plan for class size and staffing. We look forward to meeting our new North Star Kindergarten students and their parents on or before the Kindergarten Open House on April 28th.

SCHOOL SUPPLIES

2017-2018

Once again, families will be able to purchase school supplies on line! This year we have two suppliers, Tools For Schools (Staples) and Back To School Solutions (Value Drug Mart). We will also have supply lists available at the school for those who wish to do their shopping elsewhere. North Star Elementary will not be purchasing any student supplies. Please watch for more detailed information on how to access the online buying sites in the next few weeks.

CONSCIENCE

My inner voice that helps me to decide right from wrong.

Here are some questions to help kids think about the value of having a solid conscience.

What is conscience? How do you think you get one? How do you know you have one? What does it mean when someone says, "She is a good person?" How do you know if someone is good? Who are some people you think are good? What makes them good? Is it wrong to lie, steal or cheat? What's so wrong about it? What would you do if you were with someone who lied? Why do you think people do bad things? What would help people make good choices?
